

Dear Pilsen Neighbors,

The Renegade Craft Fair started in Chicago and we now produce RCF events in New York, Seattle, Portland, Denver, London, San Francisco, Austin, Miami, Boston, Detroit and Los Angeles. RCF headquarters are located in Pilsen at 1910 S. Halsted. We love the Pilsen neighborhood and want to show it off so we are planning a **Renegade Craft Fair Chicago Pop-Up in Pilsen** on Halsted Street between 18th Street and Canalport, on **Saturday and Sunday, May 13th & 14th, 2017** from 11am—6pm.

The Renegade Craft Fair Chicago Pop-Up in Pilsen will feature a highly curated showcase of the very best in modern craft and design. The event will also feature local food vendors, some select sponsors, beer and wine, and background music by local record stores.

The Renegade Craft Fair Chicago Pop-Up in Pilsen is free, there will be no donation requested to enter the street festival area. A percentage of the event proceeds will benefit Pilsen area 501 C3 non-profit Art Reach Chicago, an arts based organization. The event producers hope to draw consumers to Pilsen's Halsted Street corridor, market the area to a broader audience, promote local vendors, and raise money for the local non-profit benefactor.

Pilsen area crafters and restaurants are encouraged to participate! There are onsite vending opportunities for Pilsen area makers and restaurants to participate in this event. Local arts based non-profits will also be offered space onsite. Please contact info@renegadecraft.com for more information.

The event will showcase the Pilsen neighborhood and all of its wonderful assets. If you have any questions or concerns, or would like to share any feedback please contact info@renegadecraft.com. For more general information on the event please visit www.renegadecraft.com.
